HUNTER'S MEADOW, AUCHTERARDER

The perfect place for you to call home.

Hunter's Meadow has been inspired by the rural character and architecture of Auchterarder and Gleneagles, and the beautiful Perthshire landscape that surrounds them.

Taking advantage of some magnificent open views over rambling countryside to the hills beyond, this latest collection incorporates the colours and textures of historic buildings typically seen in Perthshire. Heritage brick, render and stonework create warmth and character to some homes, while others incorporate soft-coloured weather cladding and hipped roofs, creating diverse streetscapes and a true sense of the individual so that you can live in a home that feels uniquely yours.

Accessed off the new roundabout that has recently been created on the High Street, the front gardens of these new homes at Hunter's Meadow will be bounded by hedging or natural stone walling to complement the existing 'dry stane dykes', with attractive landscaped open spaces dotted strategically throughout and a central play area for the enjoyment of all the residents.

You'll be as proud to live at Hunter's Meadow as we have been creating it.

Our design philosophy.

Moving into a new home should be one of life's most defining moments. A day that you will always remember, the day when you started a new life in a new community that was created with you in mind.

At Stewart Milne Homes, we go the extra mile to create special places where people want to live, both now and in the future. Our designers seek to establish communities rather than developments, homes rather than houses.

We consider the character of the local area, from landscapes and natural materials to the natural environment – to create unique and sympathetically designed communities that will nurture and enhance both spirit and soul for many years to come.

Our carefully considered new home designs have been created to meet the changing needs and changing lifestyles of families today.

Our homes are rooted in our design principles by being luxurious and spacious with a focus on elegant simplicity. Our homes provide versatile and flexible space, both indoors and in how you will connect with the outdoors while being supremely functional.

Homes designed not only to meet your needs, but also to allow you to express your character and enrich your life.

And that, in short, is what moving into a new home should be all about. So now let us show you something of the new life you can expect to live here at Hunter's Meadow in the welcoming community of Auchterarder.

Auchterarder: Your new hometown.

With good schools, world-class facilities and five-star amenities on your doorstep, Hunter's Meadow in the historic town of Auchterarder – home to the famous Gleneagles hotel and Golf Resort – occupies a truly inviting rural setting in the heart of Perthshire – this is a wonderful place to call home.

Steeped in the history of this ancient Royal Burgh and surrounded by magnificent countryside, the hidden gem that is Hunter's Meadow is just fifteen minutes' drive from Stirling, fifteen minutes from Perth and five from the world-famous hotel and golf resort which not only hosted the Ryder Cup on the Centenary course in 2014, but also the G8 summit of 2005, and where every conceivable extravagance is on offer; clay pigeon shooting, falconry, horse riding, fishing and spa treatments.

Traditionally called 'The Lang Toon' due to its one-and-a-half mile long high street – the longest in Scotland – Auchterarder is brimming with independent retailers, fantastic eateries, coffee shops and 5-star visitor attractions. It offers a special quality of life that very few locations can match.

Auchterarder is the epitome of a one-street whistle-stop where everything that a family needs for an aspiring lifestyle is available in close proximity within this friendly local community; a supermarket, butcher, greengrocer, post office, library, dry cleaners, pharmacy, arts and crafts gift shop, florist, beauty salon, and even an old-fashioned traditional sweet shop. The health centre incorporates medical and dental services.

Hunter's Meadow is just a short drive from the A9 which provides excellent transport links to two of Scotland's most scenic and historical cities – Perth and Stirling – along with easy connectivity to Edinburgh and Glasgow. The local Gleneagles railway station provides rail links not just to Perth, Stirling and Edinburgh, but even to the Highlands and London city.

Close by, there is an abundance of historical places of interest from Benedictine Abbeys and Celtic Chapels to Pictish Forts and Roman roads. The area is famed for outdoor pursuits and activities, including dare-devil cliff jumping, micro flights and more leisurely walking routes and scenic mountain trails.

Education is also well served with the Community School of Auchterarder catering for both primary and secondary education. There are additional connected primary schools, including Aberuthven, Blackford and Dunning.

Hunter's Meadow: A new home for you.

Within Hunter's Meadow we've created a new and exclusive selection of homes that have all been carefully designed by our award-winning architects to ensure each home meets your aspirations.

Our new 'Villages' range of homes at Hunter's Meadow comprise a choice of 3, 4, 5 and 6 bedroom terraced and detached family homes.

These are all homes that have been re-imagined and re-designed to meet the needs of contemporary living. You'll find spacious interiors, stunning kitchens and attractive exteriors to suit buyers from young couples starting out, to growing families and professionals.

Reflecting our new design ethos, every single aspect of your home has been revisited through the twin lenses of simple elegance and supreme functionality. All of the homes are light and airy with large windows and French doors to your private garden, plus well-planned

living and social areas for entertaining and relaxing. Most homes also include a utility room with garden access, ideal for muddy boots after a long country walk.

The grand master bedrooms are all en-suite, while separate showers are included as standard in most of the family bathrooms in our 4, 5 & 6 bedroom homes.

And finally, each home is carefully positioned to optimise the views and light and come complete with many bespoke exterior details to complement the elevated setting of Hunter's Meadow.

Inside your new home: A closer look.

As soon as you step inside a Stewart Milne home, you'll feel the difference. This is special. A home where clever design achieves the perfect balance between elegance and practicality; where our renowned attention to detail ensures a spectacular level of finish throughout.

Let's start in the kitchen...

The kitchen is the heart of any home and it's likely this is where you'll head first as you explore. For most families it's the busiest, hardest-working room in the house, so we've designed each of our kitchens to be particularly spacious and located it in the optimum position. Details will vary depending on house style, but the common factor is that we've thought about how you'll use the space, and designed it to work perfectly for you. Practical connections to a dining room or family room, and access to the garden through French doors, combine to make the kitchen more welcoming than ever. To cater for different needs – our homes feature either a separate formal dining room or we combine the dining area into a large open kitchen/ dining space that's great for family and friends alike.

Depending on the home you choose*, the final specification† will vary, but your expertly crafted kitchen will typically come with a beautifully designed stainless steel gas hob, multi-function oven, cooker hood, integrated fridge/freezer – and even microwaves and dishwashers in most of the detached homes.

Of course, your home needs to be functional as well as comfortable so all homes have a separate utility room, most with direct access to the garden, complete with plumbing and wiring for a washing machine and dryer

**Choice of kitchen is subject to build program. †Choice of fittings is subject to build program. Information is correct at time of going to print, but is subject to change. For more information speak to one of our team of sales consultants. The specification included in this brochure, or included in the leaflet which accompanies this brochure, gives a general specification applicable to this development. Please check the specification relating to the individual plot that you have chosen, with our sales consultant at the time of reservation.*

Next stop, the family living room...

For welcoming friends and entertaining or for relaxing at the end of a long day, this is a space to really enjoy. We've designed the living areas to make the very most of the sunlight, with large feature windows in selected homes and French doors that open out onto a patio to provide a lovely inside-outside living space to all homes.

Moving on to the upstairs now...

The Hunter's Meadow 'Villages' range of homes includes 3, 4, 5 & 6 bedrooms, varying from luxurious master suites to cosy single rooms. Every home comes with an excellent specification of finish including built-in or walk-in wardrobes to master bedrooms and bathrooms and en-suites with luxury tiles and contemporary sanitaryware.

All bathrooms and en-suites are designed with indulgence and pampering in mind. This will include, wherever possible, large showers and in our larger homes, rain fall showers and tall chrome heated towel rails. We provide a superb choice of co-ordinated Porcelanosa tiling and, in many homes, fitted vanity furniture for the family bathroom and master en-suite.

Several homes also have an additional en-suite bath or shower room added to the guest bedroom – again all available with a choice of tiling.

Finally, lets look around outside...

Depending on the home you're visiting, there'll be more to explore outside – such as turfed and landscaped front gardens and smart mono bloc driveways. Whatever the location and the specifications, you'll find the exterior space as attractive and as welcoming as the inside of the home – although naturally a new garden needs a little nurturing and time to mature and look its best.

To ensure that the common landscaped areas are kept in pristine condition, a factor will be appointed who will even arrange for the grassed private front lawns to be cut to ensure that the value of your investment is protected; a small monthly maintenance fee is applicable.

A new home: It means so much more.

With our new homes, there are countless designs and styles to choose from – something for everyone to love. But there are several major features and benefits that are common to all our homes – so we've summarised these here for you. Really, what more could you want?

Eight great reasons to make your new home a Stewart Milne home.

1. The quality of the build

We use a high level of specification in all materials, apply superior craftsmanship at all times, and adhere to high building standards so you can enjoy living in a safe and secure environment.

2. The 10-year NHBC Buildmark warranty

Each home is quality checked at various stages of its build and inspected by the National House Building Council (NHBC). As a result, all our homes come with a 10-year NHBC buildmark warranty so that you can enjoy the kind of peace of mind that someone choosing to buy a second-hand property simply does not get.

3. The unique, distinctive community

Moving to a brand new home is an opportunity to be part of an exciting, new community. We have an unrivalled reputation for creating individual, communities that reflect local characteristics and surroundings. Stunning streetscapes and people-shaped places combine to create communities built with your needs in mind. Today, arguably more than ever, it's vitally important to us to offer you great places to live now and in the future.

4. The elegant, functional design

Our new homes are designed to meet the changing needs of families. Our designers have carefully thought through how people use their homes today. The result is new homes that are more elegant, spacious and functional. Homes that provide more flexible space, indoors and out, including direct access to the rear garden from kitchens and utility rooms. Homes fully fitted and truly designed to cater for a contemporary, luxury lifestyle.

5. The energy efficiency savings

Compared to a second-hand home, a new home is on average six times more energy efficient. Due to the excellent insulation in our new homes, the savings you can make will amaze you. At the heart of the central heating system is a modern, highly efficient, highly efficient air source heat pump hybrid gas boiler, while thermostatic radiators provide independent control in every room.

6. The fittings and features

Your new home comes complete with high quality fittings and finishing throughout. Internal walls and ceilings are painted white, and elegant white panelled doors are fitted with attractive chrome lever handles, chrome hinges and latches. While kitchens feature premium appliances and stylish units with soft closing drawers – little things that help make a house a great home. What's more, all our homes are wired with an abundance of well-placed socket outlets, and telephone, TV and USB points, while smoke and heat detectors are directly wired to the mains.

7. The option to personalise

When you reserve your new home early, you will have an opportunity to choose many of the fixtures and fittings that are to be included from kitchen doors and handles to vanity cabinets, worktops and tiling. We can help you to make your new home look and feel exactly how you want it to, with minimal fuss.

8. The benefits of buying new

Buying a new home also eliminates the need for renovations, repairs or DIY, meaning you can spend more time doing the things you love. Everything in a new home is clean and untouched by previous owners. Our new homes are decorated in 'neutral' colours giving you a blank canvas to stamp your own personality on from day one. And, of course, you can move into your new home as soon as it is complete, there is no need to wait around for the existing residents to vacate!

Hunter's Meadow: The choice is yours.

You will find a host of great features in your new home, most are included as standard with some additional options you may like to select. The specification matrix below shows all the features available in each home. Just ask us if you have any questions.

We will adhere to professional standards

Our staff members are trained to provide a high level of customer service and to offer every support and assistance; they will be helpful, professional and knowledgeable. However, we recommend that you appoint a professional legal advisor to carry out all legal aspects of your home purchase and represent your interests throughout. We will communicate directly with your solicitors to provide all the information required to complete your purchase and we will provide them with a written contract giving the full terms and conditions of sale including termination clauses. Should there be any delays due to inclement weather or the late delivery of materials, we will keep you and your solicitors informed.

We will respect your home and clean up all work areas before leaving.

We will continue to improve our service

Stewart Milne Homes listens to and learns from the people who matter – our customers – which is why we use an independent market research company called In-house UK to conduct telephone surveys with all new homeowners between three and seven weeks after entry.

The prestigious 'Gold Award' awarded by In-house UK recognises companies who achieve over 90% satisfaction ratings from customers. We are proud to report that Stewart Milne Homes has achieved the 'Gold Award' in every year since we began these surveys.

Stewart Milne Homes: Let us help you.

It's a big step. It's a great feeling. It's a chance to start afresh in a brand new home that you can make your own. But the experience of buying a new home can also be time-consuming. There's a lot to think about, a lot to do. You need to make sure that you have everything in the right place at the right time. That's where we can help.

We aim to ensure that the whole experience of buying your new home is as easy and simple as possible. We've laid out the key steps below, but please ask for any help or guidance you need. So let's get started...

1. Hunter's Meadow

Our marketing suite and showhomes are open weekly from Thursday to Monday inclusive, from 10.30am to 5.30pm. Please call ahead to confirm a suitable appointment time so that your assigned Sales Consultant can give you their undivided attention. If you wish to visit outwith these hours, please call 0845 672 9519 and we'll be happy to arrange an appointment to suit you.

2. Reserve your home first

Hunter's Meadow is very desirable, so you do have the chance to reserve your new home now. When you get in touch, you will be assigned a sales consultant who will help you choose your property – and, if suitable, offer you a choice of fittings and finishes when you reserve early. We'll also provide you with our Guide to Buying Your New Home to help you plan your move.

3. Helping you with your move

Our aim is to make the whole process of moving home as easy as possible for you – our 40 years of experience have proved how vital that is to all our customers. To ensure your move to Hunter's Meadow is as smooth as possible, we can help you with:

- Solicitors
- Mortgages
- Interior designers
- Removal companies
- Advice on marketing and selling your existing house

4. Keeping you right on day one

The best thing about buying a new Stewart Milne home is that you'll have nothing to worry about on the day you move in – as your very own customer service co-ordinator will be at the end of a telephone should you need any help while settling in. You will also receive a comprehensive Guide to Your New Home and a detailed Home Owner's Pack.

5. Taking care of any little issues

Our comprehensive warranties cover any potential issues. The list of what's covered runs to three A4 pages, and includes central heating (other than boiler servicing), wastes and drains, kitchen appliances, flashings, gutters and downpipes, roof, sanitary ware, structural defects, water services and much more. In addition, all kitchen appliances are covered by a two-year manufacturer's warranty.

6. Your long term peace of mind

The National House Building Council 10-year buildmark warranty covers all new Stewart Milne homes. For the first two years, we will take care of any agreed defects as quickly as possible. For the remaining eight years, in the unlikely event of a structural defect, this would be dealt with directly by the highly respected NHBC – the benchmark for quality in British building standards.
